

Governors Cymru Services (GCS) is a national support service that provides a range of support to inspire and promote effective governance. We offer a subscription-based package which includes access to a wealth of information on the roles and responsibilities of school governors.

We have extensive expertise on all matters to do with governance in Wales. We offer a unique service which demonstrates value for money, whilst ensuring that governors and governing bodies continue to receive high quality support to support them on their governing journey.

Benefits of signing up

We provide support and help in several ways: e.g., expert advice and guidance, up to date news on policy changes, help when facing opportunities and challenges, and representing the views of our unsung heroes.

We offer:

- High quality support services
- A confidential, bilingual support line (telephone and email)
- Access to a password protected area of the GCS website
- Online guidance, advice and resource information
- Regular e bulletins to keep you up to date
- Attendance at briefing sessions and events
- Sharing of effective practice
- Additional bespoke and training services for all stages of governance

Why not sign up now to access a range of resources that will:

- help to increase the effectiveness of governing bodies
- keep you up to date and compliant
- save you time and money

The GCS subscription year runs from 1 September to 31 August.
